STATE OF MISSOURI. County of Ste. Genevieve. Notice is hereby given that a Primary Election will be held at the regular polling places in each precinct of said County, Ste. Genevieve on the first Tuesday of August, 1916, being the 1st of August, 1916, for the purpose of nominating candidates for the following offices to be voted for at the General Election to be held on Tuesday, the 7th day of November, 1916.

W. H. Blackledge purchased a Ford Touring Car from Stanton Garage this week.

Best Thing for a Bilious Attack.
"On account of my confinement in the printing office I have for years been a chronic sufferer from indigestion and liver trouble. A few weeks ago I had an attack that was so severe that I was not able to go to the case for two days. Failing to get any relief from any other treatment, I took three of Chamberlain's Tablets and the next day I felt like a new man," writes H. C. Bailey, Editor Carolina News, Chapin, S. C. Obtainable everywhere.

Swine provided 60 per cent of the total meat consumed in the German empire last year.

A Virginian has invented a handtruck that enables one man to pick up and move objects weighing 1,000 pounds or more.

She Told Her Neighbor.
"I told a neighbor whose child had croup about Foley's Honey and Tar," writes Mrs. Reikamp, 2404 Hernan St., Covington, Ky. "When she gave it a cough, she was pleased with the change she didn't know what to say." This reliable remedy helps coughs, colds, croup and whooping cough. Sold everywhere.

Figures compiled by the Italian government show that the world produced 4,000,000,000 bushels of wheat last year, an increase of 800,000,000 bushels over the year before.

Whooping Cough.
"When my daughter had whooping cough she coughed so hard at one time that she had hemorrhage of the lungs. I was terribly alarmed about her condition. Seeing Chamberlain's Cough Remedy, I highly recommended. I got her a bottle and it relieved the cough at once. Before she had finished two bottles of this remedy she was entirely well," writes Mrs. S. F. Grimes, Crooksville, Ohio. Obtainable everywhere.

In our announcement column will be found the name of Joseph H. Rehm as a Republican candidate for re-election to the office of County Treasurer. Mr. Rehm asks the voters to give him consideration, and promises if re-elected to serve the people to the best of his ability.

Last year there were 10,000,000 gallons more whisky distilled in the United States than in the year before. Since so many states have gone dry the wet ones must have been inundated.

A Delaware farmer has built a cylindrical barn, 73 feet in diameter and 74 feet high. With the exception of the dome-like roof, which is of wood, it is made entirely of concrete. There are no posts, beams or other supports. It consists of a huge chamber below and a loft above which has a storage space for 300 tons of hay.

Tells What She Thinks
Anna Hawn, Cedar Grove, Mo., writes: "We think Foley Cathartic Tablets are the best liver pill we ever got hold of, as they do not nauseate or gripe, but act freely on the liver." Recommended for constipation, bloating, sour stomach, gas on stomach, bad breath, clogged or irregular bowel action. Sold everywhere.

The Virginia Legislature has had some warm debates over a bill requiring all dogs more than six months old to be shut up at night, but nothing seems to have been said about making a dog shut up after one has got him shut up, a matter which is sometimes on bright moonlight nights, for instance, quite outside the range of human legislation.—EX.

Keeping Up To The Mark
"Spring fever is not always a joke. If you feel dull and sluggish, tired and worn out, suffer from backache or weak back, rheumatism, sore muscles, stiff joints or other indications of kidney trouble, it will pay you to investigate Foley Kidney Pills. They are highly recommended as prompt and efficient aids to health. Sold everywhere.

A Weeding, W. Va., grocer recently received a crate of eggs through the parcel-post from a huckster at Sardis, Ohio, in which were the words "I will be up Saturday," written on the eggs. When the package was opened at the Washington post office for inspection the message was discovered. The crate and its contents were immediately weighed as first class matter and the grocer was compelled to pay \$5.70 for postage.

Lame Back.
Lame back is usually due to rheumatism of the muscles of the back. Hard working people are most likely to suffer from it. Relief may be had by massaging the back with Chamberlain's Liniment two or three times a day. Try it. Obtainable everywhere.

Statistics compiled by the bureau of foreign and domestic commerce show that there were more than 92,500,000 worth of exports shipped away from this country during a period of eight months. This exceeds the figures for the corresponding period a year ago by about a million dollars. The value of imports for the same time was also increased \$250,000,000 making the total about \$1,290,000,000.

On Wednesday night, of last week, at 10 o'clock, two men entered the Coy drug store at Fort-elf and with drawn guns compelled the proprietor and clerk to hold up their hands and robbed them. While the two were at work on the inside a third man stood guard on the outside. They secured \$108 from Coy, \$1 from the clerk and \$18 from the post-office which is located in the drug store. The robbers were not masked and make their escape.—Hills Jimplicite.

Was Troubled At Night
Painful, annoying bladder weakness usually indicates kidney trouble. So do backache, rheumatism, sore, swollen or stiff muscles or joints. Such symptoms have been relieved by Foley Kidney Pills. Henry Rudolph, Carmi, Ill., writes: "Since taking Foley Kidney Pills I sleep all night without getting up." Sold everywhere.

The County Superintendents of Schools held a convention in Jefferson City last week and before adjournment Friday pledged themselves to organize "moonlight schools" to correct illiteracy which ranges in Missouri counties from 1 1/2 per cent to more than 15 per cent. The average for the entire state is 4.3 per cent. Thomas J. Walker, rural school inspector of Missouri, stated that there were 111,000 illiterates in Missouri, of this number 20,000 being white and 21,000 negroes. He said Tennessee, Oklahoma, Kentucky and other states had greatly lessened illiteracy by adopting new methods of instruction.

Budweiser— and Other Foods

There's food value in beer—as well as beverage enjoyment. A bottle of Budweiser may not be offered as a complete meal—but it has its place in the meal comparable to bread, milk or any other of the dishes or drinks that are part of the well-balanced lunch or dinner.

The alcohol in beer (a small percentage) has its tonic value and its use as an appetizer. The hops have a nerve-soothing value. The malt not only has food value, but is, of all foods, one of the most quickly and easily turned by digestion into nourishment. By its very nature beer is especially thirst-satisfying.

Here are Two Little Charts

that show graphically and in figures comparisons between beer and other beverages and beer and other foods:

Comparative Nutritional Values	Whisky	Rhine Wine	Beer	Milk
Carbohydrates	52.0%	4.8%	5.0%	2.25%
Protein	7.0%	3.5%	0.5%	none
Fat	0.40%	3.7%	none	none
Mineral Substances	1.0%	0.7%	0.2%	0.2%
Alcohol by weight	none	none	3.75%	8.0%

Average Composition of	Bread	Milk	Beer	Rhine Wine	Whisky

When you think of beer for your table, of course you'll settle on Budweiser.

Keep The Kidneys Well

Health is Worth Saving and Some Ste. Genevieve People Know How to Save It.

Many Ste. Genevieve people take their lives in their hands by neglecting the kidneys when they know these organs need help. Weak kidneys are responsible for a vast amount of suffering and ill health—the slightest delay is dangerous. Use Doan's Kidney Pills—a remedy that has helped thousands of kidney sufferers. There is a Ste. Genevieve citizen's recommendation.

Joseph Herzog, carpenter, Ste. Genevieve, says: "Some years ago I was having trouble with my kidneys and I suffered from a lame and aching back. I read of Doan's Kidney Pills and used them. They relieved me in every way."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Herzog had. Foster-Milburn Co., Props., Buffalo, N. Y.

Thirteen persons were killed and more than 50 injured and an Oklahoma town was wiped from the map in cyclones which swept over the South and Southwest Saturday night and Sunday. Figures from various sections of the storm-swept regions show that the disturbances were the worst of the year. One man was killed at Newton, Mo., another was probably mortally wounded.

Farms For Sale:—Two farms 110 acres each, three miles west of Ste. Genevieve. Good house and buildings on one. Apply at this office.

There are two animals that puzzle naturalists more than any others. They are nature's submarine and aeroplane, the whale and the eagle. It is known that whales occasionally descend as much as 3,000 feet below the surface of the sea—a depth at which, by the pressure of the water, they ought to be crushed flat. Why they are not injured scientists have yet to discover. It is this pressure which prevents a modern submarine descending even 300 feet, let alone 3,000. Eagles have been seen through telescopes to fly with apparent ease from 30,000 to 40,000 feet above sea level. At that height no human being can live, owing to the rarefaction of the air. How the birds live and fly at far greater heights than man can endure for long is a question still to be answered.

How Mrs. Harrod Got Rid of Her Stomach Trouble.

"I suffered with stomach trouble for years and tried everything I heard of, but the only relief I got was temporary until last spring I saw Chamberlain's Tablets advertised and procured a bottle of them at our drug store. I got immediate relief from that dreadful heaviness after eating and from pain in the stomach," writes Mrs. Linda Harrod, Fort Wayne, Ind. Obtainable everywhere.

Catarrh Cannot Be Cured

with Local Applications, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly upon the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best medicines known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing catarrh. Send for testimonials free.

After an existence of 59 years Harper's Weekly has discontinued publication. It is now but a memory. At one time the Harpers brothers were the greatest publishers in the United States. During the days of the Civil War Harper's Monthly and Harper's Weekly were standard publications. They were essential at the time to the literary world of America. While decidedly prejudiced against the cause of the South, these two publications contained so much valuable information that they were read on both sides of Mason and Dixon's line.

What to do when Backache comes on

"I found immediate relief in the use of Foley Kidney Pills. I have recommended them to all my friends and single instance when they failed to give relief."

C. V. Landrum, a traveling salesman, writes from San Antonio, Texas: "Driving over rough roads and in all kinds of weather gave me acute pains in the back and I suffered greatly. I found relief in the use of Foley Kidney Pills, and before the first bottle was used the pain in my back had entirely disappeared. I have had no recurrence of those pains which frequently amounted to almost neuralgic proportions."

When backache comes on, and it seems as if you can't stand the pain and pressure in your back, you will find quick and grateful relief comes with the use of Foley Kidney Pills. They stop the cause of the pain, ease the stiff aching joints and muscles, and clear the poisons out of your system by helping your kidneys and bladder to normal healthy action.
